Benalmádena Ref.: BBLV

Starting from 539,000€

32 luxury homes overlooking the mediterranean sea in an urbanization of thirty two houses. Situated in the heart of Benalmadena and a stone's throw from the sea, international airport, Marbella and the capital of Malaga, considered the cultural capital of the south.

A high standing residential complex designed for you! space, design and comfort combine to create a new concept of life in a secure and safe environment.

Exclusivity and ocean views

Located in one of the most serene areas of the costa del sol, adjacent to a 200.000 square meter natural park of casablanca, and overlooking the mediterranean sea,... is located the residential complex of villas.

Its pristine location offers unparalleled panoramic sea views over the mediterranean and entire Fuengirola bay. Walking distance from the beach, the train station of torremuelle, and the charming town of Benalmadena.

A lifestyle

The Social Club is an ambitious project created and developed by the renowned architectural studio of Villaroel.

The Club is integrated in a privileged space with unobstructed views of the Mediterranean, it includes a gym, leisure areas and space to practice sports.

The Club area also offers an ample infinity pool, a children's pool and abundant vegetation with marvellous sea views.
